#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Workforce Alliance of South Central Kansas, Inc. as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States.

#### **Other Matters**

#### Supplementary Information

The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information and procedures, including procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Workforce Alliance of South Central Kansas, Inc.'s internal control over financial reporting and compliance.

#### Note 1: Summary of Significant Accounting Policies

#### **Nature of Operations**

Workforce Alliance of South Central Kansas, Inc. (the "Organization") is a tax-exempt, nonprofit organization under Section 501(c)(3) of the Internal Revenue Code. The Organization incorporated in 2001 following the passage of the Workforce Investment Act (WIA) of 1998. As the Local Workforce Investment Board (LWIB) for Butler, Cowley, Harper, Kingman, Sedgwick, and Sumner counties in the state of Kansas, the primary duties of the Organization are to manage federal job training funds, operate One-Stop Workforce Centers and coordinate the public workforce system in South Central Kansas. The Workforce Innovation and Opportunity Act (WIOA) became effective July 1, 2015, and replaces WIA. The LWIB transitioned to the Local Workforce Development Board (LWDB) on that date and continues to operate programs and One-Stop centers across South Central Kansas.

The Organization's services are funded primarily through WIA/WIOA. A significant reduction in the level of this support could have an adverse effect on the Organization's programs and services. Approximately 73% of grant funding is direct from the United States Department of Labor and federal pass-through funds received from the State of Kansas Department of Commerce.

#### **Basis of Presentation**

All financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

#### **Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### **Funds Held for Others**

The Organization manages activities associated with the Regional Economic Area Partnership (REAP) program. The cash is held separately in a cash account with a corresponding liability as ownership of the funds rests with the REAP organization. Neither the receipt nor the disbursement of REAP funds are recognized as an operating activity in the Organizations financial statements as the Organization is acting as the fiscal agent.

#### **Related-party Receivable**

Related-party receivable represents costs shared with partner agencies for office spaces and other services that were requested for reimbursement. No estimate is made for doubtful receivables, as the Organization believes they are fully collectible.

Notes to Financial Statements

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Property and Equipment**

Property and equipment for which title passes to the Organization is capitalized and stated at cost. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is recognized in operations for the period. The cost of maintenance and repairs is charged to operations as incurred. Depreciation is provided by straight-line method over the estimated useful lives of the assets. The useful lives for computer equipment, software licenses, and office equipment are 3, 10, and 5 years, respectively. Whenever events or changes in circumstances occur that indicate the carrying amount of long-lived assets may not be recoverable, management reviews the assets for possible impairment.

Property and equipment purchased with grant funds are owned by the Organization while used in the program for which it was purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. The net book value of grant-funded property and equipment as of June 30, 2021, is \$200,640.

#### **Classification of Net Assets**

Net assets and revenue, gains, and losses are classified based on the existence or absence of donorimposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations or where donor-imposed stipulations are met in the year of the contribution.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed stipulations that may or may not be met, either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are transferred to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Currently, the Organization does not have any net assets with donor restrictions.

#### **Revenue Recognition**

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identification of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met

Notes to Financial Statements

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### Revenue Recognition (Continued)

Conditional contributions are recognized when the barrier(s) to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

#### A. Grant Awards That Are Contributions

Grant awards that are contributions are evaluated for conditions and recognized as revenue when conditions in the award are satisfied. Unconditional awards are recognized as revenue when the award is received. Amounts received in which conditions have not been met are reflected as refundable advances.

#### B. Grant Awards That Are Exchange Transactions

Exchange transactions reimburse based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed. Amounts received in excess of those earned are reflected in the statement of financial position as a contract liability.

#### **Income Taxes**

The Organization is a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code and is exempt from Federal and Kansas income taxes.

The Organization is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Organization has determined there are no amounts to record as assets or liabilities related to uncertain tax positions.

#### **Cost Allocation**

Direct costs that can be identified specifically with a final cost objective are directly charged to the program benefited. Joint costs are allocated to benefiting programs using various allocation methods depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all of the Organization's programs, which cannot be readily identified with a final cost objective.

Notes to Financial Statements

#### Note 1: Summary of Significant Accounting Policies (Continued)

#### **Functional Expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### **New Accounting Pronouncements**

In 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which is intended to improve financial reporting on leasing transactions. ASU No. 2016-02 will require lessees to recognize right of use assets and lease obligations for operating and finance leases under terms greater than 12 months. On June 3, 2020, FASB issued ASU 2020, ASU No. 2016-12, *Leases (Topic 842)* that extended the effective date for certain entities to annual periods beginning after December 15, 2021. ASU No. 2016-02 must be applied modified retrospectively. The Organization is currently evaluating the impact of the provisions of ASU Topic 842.

#### **Subsequent Events**

Subsequent events have been evaluated through April 7, 2022, which is the date the financial statements were available to be issued.

#### Note 2: Liquidity and Availability

As of June 30, 2021, the Organization has \$286,572 of financial assets available within one year of the statement of financial position date consisting of cash of \$452,920, grants receivable of \$438,709 and related party receivable of \$21,546 offset by accounts payable of \$161,625, accrued expenses of \$447,071 and refundable advances of \$17,907. The Organization does not have a formal liquidity policy but generally maintains financial assets in liquid form such as cash. The Organization can rely on a lower cash balance as it is primarily funded with cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred, an organization can request reimbursement from the funding source (see Note 10).

Notes to Financial Statements

#### Note 3: Cash and Funds Held for Others

The Organization maintains its cash in bank deposits that, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash deposits. The following table represents the detail cash balances, as of June 30, 2021:

(a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 7, 2022.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Workforce Alliance of South Central Kansas, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Workforce Alliance of South Central Kansas, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Workforce Alliance of South Central Kansas, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Workforce Alliance of South Central Kansas, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Workforce Alliance of South Central Kansas, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* and in considering Workforce Alliance of South Central Kansas, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
